In accordance with instructions from Col. White, who ✓  
had discussed the matter with Mr. Wisner, I informed [ ] STATINTL  
[ ] that CIA could not consider his reemployment. I phoned  
Congressman Gordon in Chicago and informed him that I had  
talked at length to [ ] that our determination must stand, and  
the Congressman stated that he understood perfectly and  
appreciated the attention we had given the problem. I have also  
cautioned Mr. [ ] that he is not at liberty to discuss his employ-  
ment with CIA on the outside in any regard.
